'02 Sporster 1200. Runs great, will give it a full tune up before selling. If your the type that needs turn signals to get down the road this bike is not for you! Burly lowering shocks and springs, stainless supertrap exhaust, key relocated, joker machine air cleaner. Only trades considered would be a

Honda Grom.

2002 haley davidson sportster

engine displacement (CC): 1200

fuel: gas

odometer: 29000

title status: clean

transmission: manual
